

Your gift can brighten a neighbor's life

Many people in Idaho struggle with unemployment, sickness and financial distress. Sometimes they may be forced to choose between essentials such as medicine, food and electricity.

Our customers, along with Rocky Mountain Power and our employees, have a history of reaching out to the community by giving to Lend A Hand, a nonprofit program that helps vulnerable households keep their power on. Please enclose your check payable to Lend A Hand. These funds will be spent in your local community. Please do not send cash. Thank you!
